Experienced Fencer Wanted

Peterborough Improvements

Job Location
PE4 6BX, Peterborough

Base Salary
100 per day

Date posted
28 June 2020

Description

Peterborough Improvements are looking for an experienced fencer to help with our busy fencing installations.

The ideal candidate will be someone who is able to take the lead role in addition to being able to work within a team. Be familiar with all timber fencing systems, steel palisade and gates.

Installation of decking and experience in other basic groundwork tasks such as slab laying, kerbs and paving an advantage but not essential.

This position would suit an employed or self employed person looking to top up their workload.

Applicants must have own tools suitable for the job and own transport, (van preferred).

The position is Monday to Friday with weekend work available if wanted. Or as available for if looking for additional work as a self employed tradesman.

Paid weekly.

Immediate start available
