TEN YEAR EPDM ROOF INSTALLATION WARRANTY

In the event any leak should be discovered in the membrane, the owner must give written notice to the installer (Pro Resin Surfacing Ltd) within thirty (30) days if deterioration of the membrane is suspected as the cause of the leak. By so notifying the installer, the owner authorises the installer or its designee to inspect the membrane to determine the cause of same. In the event that the installer reasonably determines that deterioration was caused by a defect in the actual membrane or manufacturing of the membrane, the installers liability shall be limited to the labour and membrane costs to repair the leak.

To the extent that any damages are due to acts of God, natural disasters (including, but not limited to,) winds, hurricanes, lightning, tornadoes and earthquakes, negligence, abuse, vandalism, repairs or alterations or attachments to the project, or war or civil disobedience and/or do not directly arise from any defect in material or manufacturing workmanship, such damages are excluded from coverage under this warranty.

The installer will charge a reasonable inspection fee to cover time and travel which is fully refundable should the leak be determined to have been caused by a defect in the material or material manufacturing workmanship.

This warranty is from installer to customer and non-transferable.

This warranty refers to the membrane, Flashings, adhesives, and other accessories contained in the membrane system and workmanship.

No representative of the installer has authority to make any representation or promises except as stated herein.

There are no warranties either expressed or implied, including the implied warranties of merchantability and fitness for a particular purpose, which extend beyond the warranties contained in this document. The installer shall not be liable for any incidental, consequential or other damages, including but not limited to loss of profits or damages to the structure or its contents arising under any theory of law whatsoever.
